

# ASMST

Al Manufacturing & SCADA Technology
Conference and Exhibition

The Leading Conference for Manufacturing and SCADA Professionals to Discuss Transforming Their Operational Systems

# FEATURING 3 TECH TRACKS

AIMST is the world's leading conference & expo focused on providing in-depth discussions and solutions for heads of manufacturing and SCADA professionals to accelerate their digital transformation and transform their operational systems.

#### **AI Manufacturing**

The AI Manufacturing track will provide a comprehensive program and plans for action, assisting manufacturers in decreasing downtime, improving profitability, and staying competitive.

# **SCADA Technology**

SCADA Tech brings together electric, water, oil & gas, transportation, and industrial automation experts to discuss the latest developments in critical infrastructure and industrial control systems.

#### **AI Supply Chain**

Join supply chain experts to discuss AI and Machine Learning integration strategies, road bumps, ROI, case studies, and solutions in the manufacturing space.

# **KEY INDUSTRIES**

# WHAT'S IN STORE?

We facilitate prescheduled meetings between buyers and solution providers.

#### 300+ Industry Experts

We pride ourselves on hosting quality attendees with 80% Sr level.

#### 60+ Speakers

2 days of world-class content from the brightest minds in the industry.

#### 8+ Networking Events

Premium networking events take center stage during breakfast, lunch, & dinner receptions.

# WHY EXHIBIT AT AIMST?

#### Win business

The AI Manufacturing and SCADA Technology Conference & Exhibition is the leading conference for:

- Manufacturers who are interested in integrating AI, deep learning, and Industrial IoT technology solutions into their manufacturing & automation systems.
- SCADA and ICS Systems users working in the electric/TD, water & wastewater, oil & gas, telecommunications, rail/transportation, and industrial automation markets about the latest developments in critical infrastructure and industrial control systems

#### Who will you meet?

- C-Suite
- Presidents
- Plant Managers
- Directors of Automation
- Heads of Manufacturing
- Cyber Security Directors

- Manufacturing & SCADA Engineers
- Market Researchers
- Supply Chain Managers
- IT & OT Managers
- Industry Analysts
- Heads of Digital Transformation

- Operations
- Data Scientists
- Industrial IoT
- Manufacturing R&D
- Facilities Manager
- Network & Systems Engineers
